Complaints

Week Commencing 16th November 2009

Our Reference	Date	Problem/Fault	Location	Action taken	Other Reference	Cornwall Council Ward
HTC09/0056	17/11/09	Street lighting remaining on during the day.	Coinagehall Street	Spoken to Highways and have been informed that they are aware that there is a problem with the main control system. The lights work off a signal similar to that of mobile phones but the granite buildings are interrupting that signal. They are working on a solution to this currently. We have also been informed by them that the fact they are on constantly is not costing any more, as they pay a fixed annual fee for street lighting.		Helston Central
HTC09/0057	18/11/09	Small branches fallen down along Trengrouse Way.	Trengrouse Way	Town Warden reported to Coastline.		Helston Central
